5 March 2021,

Ayise Karadag

Koc University

Yenimahalle, Ankara, Turkey

Dear Dr. Karadag,

On behalf of the WCET® Executive Board and all our members, we wish to congratulate you on receiving the 2020 JWC WUWHS **Contribution to Education in Wound Care Silver Award**.

You are so deserving of this recognition. Over the years you have done so much for ET nursing in your country and globally. This includes many important milestones including establishing the first stoma-therapy unit at Gazi University Hospital in Ankara Turkey, initiating a WOC training program at Koc University, establishing the Wound, Ostomy and Incontinence Nurses Society of Turkey and collaborating with the Turkish Ministry of Health to establish education standards for health care professionals.

You have generously shared your knowledge and expertise through professional publications and presentations. WCET® has also greatly benefited from your long-standing volunteer service as the International Delegate (ID) from Turkey. For this we are most grateful.

As a valued WCET® member, please accept our heartiest congratulations on this special acknowledgement of all you have contributed and achieved.

We are so proud for and of you.

Sincerely,

WCET® President 2020-2022

WCET® President Elect 2020-2022
